

# WE WANT YOUR RECYCLABLES TO END DIAPER NEED!

## HOW IT WORKS

### 1. Get Your Bags

PDX Diaper Bank will supply you with our pre-labeled blue BottleDrop® bags for collection.

### 2. Collect

Plastic, aluminum, and glass all go in the same bag. Once filled, please ensure bags are securely tied shut.

### 3. Return

Up to 15 bags can be returned daily to any Bottle Drop location! Simply scan the label on the blue bag to open the secure drop door.
